Dear _____!

I hope you and your family are doing well!

I would like to tell you a little bit about Sweden and Swedes. There are many prejudices about Sweden and Swedes but the fact is that we are not all blonde and we do not have winter all year long and there are not ice-bears walking our streets. In fact we don't even have ice-bears in our country, we have other animals like seal, elk and brown bears. We also have spring and summer although we have autumn and winter most of the year.

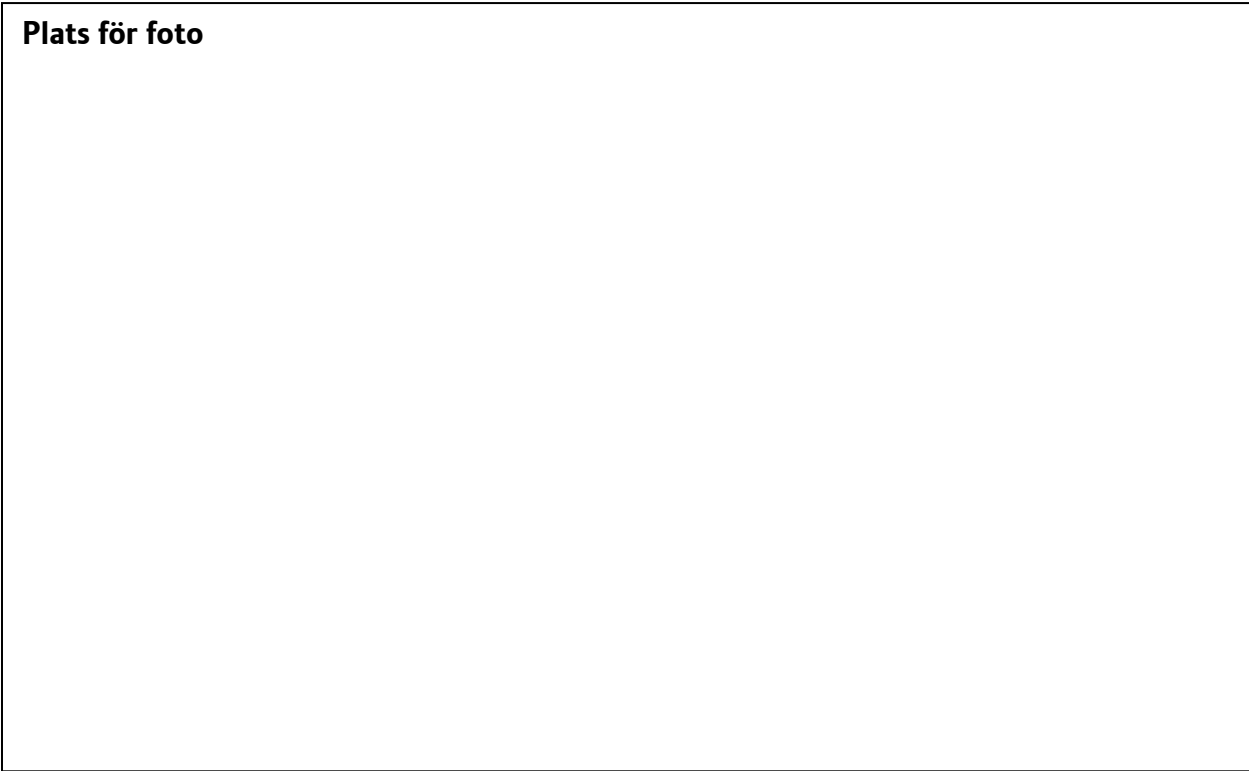

This is how I think Sweden is: _____

What I know about your country is: _____

Tell me more about your home and your country!
